## 2021 Special Release Sangiovese

Region

Hilltops

- The Special Release label gives the winemaking team the opportunity to create unique, personalised wines. Small batch made and handcrafted by Mike.

### The Story

I get to embrace my heritage by making one of Italy's most celebrated grape varieties, Sangiovese. I love drinking this wine, especially with food and family.

### The Wine

Vibrant, plush cherry and strawberry characters with an earthy fine tannin structure. A bright line of acid and lingering savoury finish make this a great food wine.

### The Vintage

La Niña brought good spring rain for the growing season with above average rainfall. Our vineyards where lush with an excellent canopy protecting the grapes for the ripening season. A cooler summer allowed for medium bodied styles with spice and elegance in our red wines.

### The Potential

This wine is exceptional drinking in its youth, but it will be interesting to enjoy the bottle development of the bright fruit with a few years in the cellar.

### The Match

Sangiovese deserves to be enjoyed alongside Italian cuisine. Think pizza, pasta and salumi. Buon appetito!
