Tasting notes

**De Iuliis
Cabernet
Sauvignon
2018**

Region

Hilltops

The wine

Deep red with purple tints.

Distinctive cabernet fruit with blackcurrant, red berries, choc-mint and a hint of leaf.

Complex palate with red berries flavours and fine, silky tannins, providing length and balance.

More information

Sourced from the cool climate region of Young, the fruit for this wine was pristine. The resulting wine is a fantastic expression of Cabernet, with great perfume and hint of oak on the nose, the palate has an exceptionally fine tannin structure giving the wine great length. Whilst the wine is made to drink young, careful cellaring for a couple of years will be of great benefit.

Cellaring

Immediately approachable but will cellar for the next couple of years.
