### Tasting notes

**De Iuliis Sangiovese 2019**

### Region

Hilltops

### The wine

A red fruit flavoured wine with an earthy fine tannin structure. The fresh and crisp acidity creates a medium weight across the palate. A lingering finish of savoury charm long after swallowing.

### More information

I've had a trip back to my Italian heritage by having a crack at making one of Italy's most versatile grape varieties, Sangiovese. Fresh and vibrant red fruits dominate the aroma. The palate is characterised by the hallmark savoury tannin structure and crisp acidity. This wine is exceptional drinking in its youth, but it will be interesting to see how this wine progresses with a few years of bottle age.

### Cellaring

Drinking well now, but will continue to improve with 5 plus years further cellaring.
