Tasting notes

De Iuliis Aged Release Semillon 2014

Region

Hunter Valley

The wine

Pale yellow.

The wine still displays some fresh citrus and lime characters; but is beginning to show more subtle developed qualities of honey and toast.

Starting to display some of the complexities of an aged Semillon; nice citrus characters combine with some toast and honey to come through on the palate. Excellent acidity, which is in balance, adds to good length of flavour.

More information

Fresh and lively in its youth, this excellent 2014 vintage Semillon has developed beeswax and honey characters with age in the bottle. An incredibly complex wine with a fresh citrus palate. Only 250 dozen have been carefully cellared in a temperature controlled environment. I hope you enjoy this wine as much as we do.

Cellaring

Drinking well now and will continue to improve over the coming years.
