Region

Hunter Valley

The wine

Pale lime green.

In its youth this wine displays subtle citrus fruits, with a hint of jasmine and fresh ginger. A crisp, clean wine balanced by structured acids adding length to the palate.

More information

Sourced from the sandy creek flats of central Pokolbin. This unique vineyard has produced a classic Hunter Valley Semillon. The fruit was hand picked on the 22nd of January 2021, it was then gently whole bunch pressed to tank before a slow cool fermentation.

Cellaring

The natural acidity will hold this wine in good stead for the future, and should drink well for the coming 10+ years.
