2020 Touriga Nacional

Region

Hunter Valley

The Special Release label gives Mike and the winemaking team the opportunity to create unique and interesting wines. These handcrafted wines are available only to our DeWine Club members and cellar door guests.

The Story

We were the first to plant Touriga Nacional on the Lovedale Road (LDR) family vineyard in 2010. Due to its low-yields, we only produce a Special Release Touriga Nacional in great vintages.

The Wine

Originating from Portugal, Touriga Nacional is a full bodied high tannin red.

It has fantastic concentration of blackberry and plums with perfumed pot pourri aromatics that leap out of the glass.

The Vintage

2020 was the fourth year of drought in the Hunter bought tough growing conditions, but hot, dry weather is where Touriga thrives.

The Potential

With its rich, tannic and complexity Touriga Nacional has great ageing potential. We like to enjoy this wine on release and between 5-10 years of bottle ageing.

The Match

Touriga Nacional, in its boldness, needs rich foods with minimal spice and salt that will balance its bold tannins and bring out its lushness. Think lamb shoulder with a minted yogurt or beef stroganoff.
