2022 Special Release Pinot Noir

Region

Tumbarumba, NSW

- The Special Release label gives Mike and the winemaking team the opportunity to create unique and interesting wines. These handcrafted wines are available only to our DeWine Club members and cellar door guests.
-

The Story

Tumbarumba is a cool climate wine region located in the foothills of the Snowy Mountains. It is fast becoming a premium producer of Pinot Noir, so what better way to experiment with a light & fun varietal while keeping our Hunter Valley roots.

The Wine

This light bodied wine oozes with plush and vibrant red fruit. The delicate aromas of cherry, raspberry, and a hint of spice enhance this wine to a full sensory experience. Serve chilled in the warmer months to level up your summer barbecues.

The Vintage

Excellent growing conditions in 2022 led to healthy vines and good yields.

The dry heat kicked in leading up to harvest, with cool nights to make the perfect ripening conditions.

The Potential

This wine is exceptional drinking in its youth, but it will with time the bright fruit will change into savoury notes like stewed strawberries, and forest floor over the next 10 years.

The Match

Pinot Noir is a versatile wine that is a delicate match for a wide variety of foods.

From duck pancakes on date night to a beef bourguignon expertly prepared with love by your mum.
