2021 Estate Shiraz

Region

Hunter Valley

Fresh, modern styles of Hunter Valley classics. State-of-the-art winemaking combined with top quality fruit make this quintessential range of wines ready to enjoy right now.

The Story

One of the great wines of Australia, Hunter Shiraz is powerful as it is subtle, with pure fruit flavours balanced by spice and earthy characters.

We use different parcels of fruit from our family vineyards to create a regional style that can be enjoyed now or in the not-to-distant future.

The Wine

On the nose, rich berry fruits, intense spice and pepper combine to enrich the aromatics. Black cherries framed with firm tannins and bright acidity provide a medium-bodied style with great length on the palate.

The Vintage

Spring rain bought great canopy development and growth across our vineyards.

The 2021 vintage was marked by a cooler, ripening period that allowed for red wines that are elegant and have complex fruit characteristics.

The Potential

This approachable style is perfect for enjoying between now and the next five years.

A well-balanced wine, consistent with iconic Hunter Valley Shiraz style.

The Match

It's a great choice for any days ending in Y.

But in all seriousness, you can never go wrong with anything that comes off the BBQ – think steak, burgers, and eggplant!
