The Real Review 2023

TOP WINERIES AUSTRALIA

The Story

Verdelho has a rich history in the Hunter Valley as one of the originally planted varieties.

These vines were planted on our Lovedale Road property in the early 90's.

The Wine

A crisp and vibrant wine boasting tropical aromatics.

The palate is full of rich characters of lychee, passionfruit and subtle pineapple. The natural acidity provides a soft, dry finish.

The Vintage

Good rain throughout the growing season saw the vines flourish through a cool & dry extended harvest.

A slow start to vintage for 2023 compared allowed for grapes in pristine condition, with good sugar levels and great concentration of flavour.

The Potential

We prefer to drink verdelho in it's youth to capture the vibrancy and generous fruit characteristics that make this variety sing!

You'll find this wine will continue to develop with 3-5 years further cellaring, but it's not necessary to do so.

The Match

This 2023 Estate Verdelho is the perfect match for Asian cuisines and anything with a kick of chilli!

Enjoy alongside a Malaysian seafood laksa for the perfect pairing.
