2023 Wilderness Road Vineyard Semillon

Region

Hunter Valley

The Single Vineyard range reveals the unique character of the Hunter Valley's finest vineyards. Produced in small quantities and only in exceptional vintages, the wines are brought to life using modern viticultural and wine making techniques.

The Story

The Wilderness Road vineyard is grown on the sandy flats of Black Creek in Lovedale.

First planted in the 1960's, this vineyard has long been known for the quality of the grapes it produces.

The Wine

Elegance with intensity, starting with a lifted lemon & Kaffic lime bouquet that seamlessly moves onto a palate welding lemon zest & grapefruit.

The minerality and acidity blends into a single stream of mouthwatering flavours.

The Vintage

Excellent growing conditions in 2023 led to delicate and aromatic whites.

Handpicked and whole bunch pressed to encourage delicate aromatics and vibrant characteristics.

The Potential

The wine is in a great spot now with a bright palate and crisp, zesty acidity.

This semillon will develop gracefully over the next 10 to 15 years. If you can wait that long...

The Match

Our Wilderness Road Vineyard Semillon is the perfect match for any sustainably sourced Aussie seafood. Port Stephens oysters? Tick. Barbecued Barramundi? Tick. Wild caught Eastern Rock lobster? It's a big tick!
