The Story	The Wine	The Vintage	The Potential	The Match
<p>We love making rosé, so why not add bubbles?</p> <p>We really wanted to make something fun and dangerously drinkable that will be a staple for good times with great friends.</p> <p>Or even on your own, who are we to judge?!</p>	<p>This sparkling rosé is made from Hunter shiraz &amp; merlot to provide an uplifting explosion of red berries, while retaining a soft dry finish.</p> <p>The fine bubbles create a lively fizz that finishes with a clean and dry mouthfeel.</p>	<p>Good rain throughout the growing season saw the vines flourish through a cool &amp; dry extended harvest.</p> <p>A slow start to vintage for 2023 compared allowed for grapes in pristine condition, with good sugar levels and great concentration of flavour.</p>	<p>Perfect for enjoying early, there's not really any need to put this away. It's drinking perfectly as a young, fresh wine!</p> <p>As a requirement, this sparkling rosé is best served chilled with family and friends!</p>	<p>Sparkling rosé is a very versatile wine, so you could go almost anywhere with this one.</p> <p>Perfect for sipping anytime, pair with fresh dishes like ceviche, charcuterie, salad, and sushi!</p>
