2025 Estate Chardonnay

Region

Hunter Valley

- Fresh, modern styles of Hunter Valley classics. State-of-the-art winemaking combined with top quality fruit make this quintessential range of wines ready to enjoy right now.

-

The Story

We know you need a wine that can do it all. One that can transition from a relaxing pre-dinner drink to the perfect companion for your meal. This Hunter Chardonnay solves that beautifully. Handpicked from our family vineyards, crafted to ensure it is just as delightful paired with food as it is entirely on its own.

The Wine

Looking for a white wine that offers rich flavour without feeling heavy or flat? This Chardonnay strikes the perfect balance. It introduces itself with delicate vanillin oak and yellow peach aromas, leading into an elegant profile where bright grapefruit notes cut through the richness of seasoned French oak.

The Vintage

The 2025 vintage was shaped by hot, dry weather that compressed the entire harvest into four intense weeks. These conditions allowed the vines to thrive, and while yields were lower than usual, the fruit quality was outstanding. For our family winery, it represents the perfect outcome: less quantity, but unparalleled quality.

The Potential

This wine is a testament to quality that is ready when you are. Crafted to be incredibly approachable, it delivers maximum enjoyment in its youth. Instead of tucking it away in a cellar, we invite you to embrace its current charm and open it today. It is vibrant, balanced, and perfectly primed for your immediate enjoyment.

The Match

This 2025 Estate Chardonnay shines whether you are indulging in truffle and wild mushroom risotto or simply winding down with buttery, salted movie-night popcorn. The balance of this Chardonnay complement the earthy richness of a gourmet dish but also effortlessly elevates a humble snack into a premium experience.
